An age old dream of mankind is a free and self governing population. In no country on earth has that dream been forged into working reality quite so well as in the United States. The vision and enthusiasm for the fight for liberty as well as the courage to win it, is what our 4th of July is about.

POTTERY WORKSHOP FESTIVAL FEATURE

The Starr Pottery Workshop recently initiated in Mattapoisett, will be one of the highlights of the Art Festival on Saturday, July 14th, beginning at 10:00 A.M. Mr. and Mrs. Starr, young talents of the area, will be working on their pottery wheel to the fascination of the many who plan to come. The wheel has been especially designed by a fellow potter and the work of these two gifted craftsmen is fresh and original.

Also on the craft program is an activity not yet lost to the area, the tying of a real New England quilt which will be done by some of the most honored and oldest family names in New England, all members of the Tinkhamtown Helping Hand Society.

Again the Festival promises to be a stimulating place to be. Tickets are available from

PARK LIGHTING

The Board of Selectmen approved a contract with Peirce & Haworth to repair and revise lighting at Shipyard Park. The new system is necessitated by vandalism directed against the bandstand lighting system which has been used as a lighting source. The bandstand lights will now be removed during the winter. Three lights will be installed facing the Park. One will be at the Fishermen's Locker Building and 3 will light the square dance area. Poles on the west side of the parking lot will be removed. Quartz lighting will be installed guarded by heavy screens.

Hence, this letter to go on record in opposition to the plan from a different point of view.

"We in Mattapoisett have little or nothing in common with the vast majority of the towns and cities lying to the north in the proposed region VII. Our common interests are tied with adjacent communities on Buzzards Bay. We have experienced considerable difficulty with regionalization on a similar scale with SRPEDD because of the large unrelated geographical area. We do not want the same thing to be repeated.

"Additionally, considerable resentment against SRPEDD arose from being forced to join the region, and now it is once again proposed that we be forced into a region. We have never been asked if we wanted such a region, and, if we had been, we would have said no. We want the type of regionalization that sprouts from a mutual need among adjacent towns -- the type that we have voluntarily established in this area: Regional School District, Tri-Town River Committee, Five-Town Prosecutor, Herring

Auto loan sail

Your next car might come equipped with a boat.

Buy that newer car now, and we'll give you a shot at one of four "Sea Swinger" sailboats. These sleek little craft are easy to carry, almost maintenance free, and lots of fun to sail.

To be eligible to win one, simply come to either our Middleboro or Mattapoisett office between May 1 and July 27 and get yourself a car loan. Then just sit back and relax until June 30th, the date of our first drawing.

If your name isn't drawn the first time, don't give up the ship. You're still eligible for a second drawing on July 31st.

But no matter how it goes, you're a winner either way. Because with a Plymouth-Home National car loan you get "same day" service, free life insurance, and low rates. And if you charge your payments against a Plymouth-Home checking account, you get even lower rates.

So don't put it off any longer. Sail into Spring with a newer car — and maybe even a boat — with a car loan from Plymouth-Home National.

A Thank You

OPEN LETTER TO ROCHESTER RESIDENTS

I would like to publicly thank all who helped make our recent Cancer Fund Drive so successful. Without your help it would be impossible. To the "volunteers" who helped make this year's road collection the largest ever, "thank you". Thanks also to my co-chairman, Mrs. William Watling, for the drive itself and also her help with the whist party; Mrs. Greenwood Hartley, Jr. for the whist party, which was also very successful; Mrs. George Church for her assistance at all times; the Rochester Woman's Club for the use of their hall and facilities; also the ladies who assisted, and the young people who gave of their time and energy. Then there's Dennis Brienzo, who "ran the tables" and always does a wonderful job. Our town Cancer treasurer was also a big help. Last, but hardly least, are the people who donated

prizes for the whist party, and the people who greet the "volunteers" with a smile, even if they feel they cannot afford to give, and the ones who gave too.

To date a total of \$517. has been collected and with mail-in donations, it could be one of our best years. What has been learned through research has already saved many lives and will save more IF women will have a regular Pap smear done, and learn the warning signs of Cancer. We can only work to help the day arrive when cancer can be cured.

Again, my sincere thanks to all who helped in any way. I hope I can depend on you again next year.
